

Environmental Policy

Site Clear Solutions Limited is committed to minimising the impact of its activities on the environment. We will achieve this by:

- Working in partnership with our customer base and supply chain to segregate, recycle and prevent waste going to landfill wherever possible
- Complying with all applicable legislation and all other requirements that we have considered may have an impact on the environment
- Actively managing our significant aspects and impacts and setting targets for improvement with the objective of protecting the environment
- Maintaining and operating our vehicles, premises, plant and equipment as efficiently as possible and identifying improvement opportunities
- Preventing and minimising pollution through good practice and monitoring the impact of our activities
- Proactively minimising waste and maximising recycling opportunities
- Communicating this policy to everyone working for and on behalf of the company and to interested parties
- Using ISO 9001:2015 as a framework for our success
